

6th

UMaT Biennial International Mining and Mineral Conference

4th - 7th
August, 2020

Theme: "Innovation in Mining and Mineral Processing; Expanding the Frontiers of Mining Technology"

OBJECTIVES AND ACTIVITIES

The conference is aimed at engineers, scientist, researchers, consultants, business executives, students and all those who are interested in mining, processing, petroleum and the environment. The main conference objectives are to:

- Present new developments, exchange experiences and practices in mining and other engineering disciplines;
- Discuss environmental and sustainable development issues;
- Expatriate on the new concept of the mine of the future; and
- Discuss climate change issues.

The conference will include the following activities:

- Technical sessions and workshops;
- Poster sessions;
- Technical visits & post congress excursions; and
- Social programmes.

The Conference will also provide:

- Exhibition opportunities to national/international companies/suppliers and organizations; and
- Awards for best papers and distinguished organisations.

TOPIC

The conference will cover the following:

- Geomatic and Geological Engineering;
- Innovation in Mining Technology;
- Mine to Mill Concept;
- Advances in Mineral Processing;
- Water and Environmental issues in Mining;
- Occupational Health and Safety;
- Climate Change;
- Sustainable Development and Corporate Social Responsibilities;
- Artisanal and Small-Scale Mining;
- Mine Management;
- Petroleum Engineering;
- Electrical/Electronic and Computer Engineering;
- Mechanical and Materials Engineering; and
- Gender Issues

DEADLINE FOR ABSTRACT AND PAPERS

Abstract, not more than **300 words**, should be mailed to conference@umat.edu.gh. The deadline for abstract submission is **31st January, 2020**. The deadline for submission of papers is **30th April 2020** (the format is available at www.conference.umat.edu.gh).
